ACSM – Presentation text

The Army Cadet League of Canada develops and proposes awards that underscore the excellent contributions made by cadets at their own units, or to the Canadian Cadet Movement in general.

In this spirit of recognition, The Army Cadet League of Canada created, in 2004, a service medal for cadets who achieve four years of honorable service in the Royal Canadian Army Cadets. This gives us a special opportunity to honour and thank young Canadians for their loyalty, service and dedication to this unique youth movement.
